Assistance Grant Instructions

The purpose of the IDA Assistance Grant is to provide funding to enable new teams and regions to participate in the IDA.

Eligibility: Any new team or region, and teams having to travel significant distances within their region may apply.

Maximum Amount per grant: \$500.

Funds may be used to:

- Cover transportation costs to IDA shows
- Entry Fees
- Judges Fees
- Transporting horses to host colleges
- Rent for show facilities or other additional costs associated with hosting an IDA show.

Funds awarded are expected to be part of an overall budget, and are not to be the sole source of funding.

Recipients of the grant are required to serve their IDA region in some capacity. This may include:

- Serving as Your Regional Representative
- Serving as Your Region's Points Secretary
- Serving on the National Rules and Standards Committee
- Serving on the National Rider Classification Committee
- Or Other Services Identified by your Regional Representative

The application must be submitted by the college representative and **MUST** include a:

- Completed Assistance Grant Application Form.
- Brief description of how the grant is to be used.
- Complete budget for whatever the funds will be used to finance. *
- Explanation of how the total funds needed are to be raised or the amount of funds already raised for the proposed need. *
- What the applicant will be able to do in exchange for receiving the grant. (Please contact your Regional Representative to discuss your region's needs.)

* For example: if you are applying for assistance with team travel expenses, you will need to submit a budget itemizing all of your expected expenses, where the additional funds will be coming from and how much is presently on hand to cover the budget. If you are applying for funds to pay judges' fees, we will need a complete show budget and a list of where the other necessary funds to host the show will be coming from.)

Our goal is to provide additional funds. We want to ensure that if the funds are granted, you will be able to complete the project for which the funds are given.
